For: GOVERNOR STATE OF UTAH

THE STATE OF UTAH

TO ALL WHOM THESE PRESENTS SHALL COME, Greeting:

Know ye, This is an Acknowledgment and Notice of Acknowledgment made under Utah Code Sections 72-5-309 through 310 inclusive, that the grant of the United States of America of “the right of way for the construction of highways over public lands, not reserved for public uses” under United States Revised Statutes 2477 (43 U.S.C. Section 932 (repealed October 21, 1976, with proviso recognizing the validity of rights-of-way already established)) was accepted for and on behalf of the State of Utah and its political subdivision Daggett County as it pertains to the highway located in Daggett County known as Clay Basin Road; County Road Number: B34; State Geographic Information Database (SGID) Road Identification Number: RD050023. Total road length is 1.4 miles more or less.

The reason for this Acknowledgment and Notice of Acknowledgment includes, but is not limited to, the fact that the road was constructed, mechanically, or by continuous use as a public highway for a period of at least ten years, over public lands not reserved for public uses, prior to the earlier of (a) the October 21, 1976 repeal of R.S. 2477 or (b) the date the servient estate was reserved for public uses.

This Acknowledgment and Notice of Acknowledgment applies only to the segments of the road that traverse land owned by the Bureau of Land Management, United States Department of the Interior, and does not apply to segments of the road that traverse land owned by any other person or entity. The State of Utah and its political subdivisions reserve the right to make further acknowledgments and notices of acknowledgment with regard to road segments that traverse land owned by other entities, including the United States of America, through one or more of its agencies.

A printed copy of a map showing the location of the road in said county is appended hereto as “Attachment 1,” a printed copy of representative photos of the road is appended hereto as “Attachment 2,” a printed copy of a description of the beginning and ending points of the entire road together with a list of Townships, Ranges and Sections that may be traversed by the road in said county is appended hereto as “Attachment 3,” and a printed copy of the Road Centerline Description Cover Page(s) is appended hereto as “Attachment 4.” The Appendices listed in “Attachment 4” that contain the actual road centerline descriptions are incorporated herein by reference. Affidavits provided by individuals familiar with the road are appended hereto as “Attachment 5.”

A printed copy of this Acknowledgment and Notice of Acknowledgment, together with its Attachments and Appendices, may be viewed and/or obtained at the office of the Utah State Archives.

An electronic copy of this Acknowledgment and Notice of Acknowledgment, together with its Attachments and Appendices, may be viewed and/or downloaded as read-only PDF (Portable Document Format) files via the

Internet at <http://recorded2477roads.utah.gov>.

The owner of the servient estate in the land underlying the road-segments subject to this Acknowledgment and Notice is believed to be the United States of America through one or more of its agencies. Any of such agencies or any other person with a servient ownership claim or a competing dominant estate right-of-way ownership claim, may file a petition in the State District Court for Salt Lake County for a decision regarding the correctness of this Acknowledgment. A claimant shall file a petition within sixty (60) days after receipt of this Notice.

In Witness Whereof, I, John Harja, the official designee of the Governor of the State of Utah, in conformity to the laws of the State (Utah Code Sections 72-5-308 through 310 inclusive), have caused this Acknowledgment and Notice of Acknowledgment to be made.

Signed by my hand in Salt Lake City, Utah, the 5th day of June, 2008.

AFFIDAVIT OF WRIGHT DICKINSON

CLAY BASIN ROAD

DAGGETT COUNTY, UTAH

ROAD NUMBER B34

State of Utah)
 : ss.
County of Daggett)

WRIGHT DICKINSON, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Moffat County, Colorado. I was born in Rock Springs, Wyoming in 1931, have lived in the Three Corners area of Northeastern Utah, Southern Wyoming and Northwestern Colorado all of my life, and currently on the Vermillion Ranch in Colorado, not far from the Browns Park area.

2. I have traveled and am familiar with a road in Daggett County known as Clay Basin Road. I am also familiar with the land the road traverses. I first traveled the road when I was a boy tending livestock with my father and uncle on grazing allotments in the Clay Basin. My family has owned and operated the Vermillion Ranch and grazed cattle in the Clay Basin since 1885. When I first used and observed the road in the early 1940s, it followed the same route as in 2008, when I last observed it. Attached is a Daggett County map showing Clay Basin Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map.

3. I am informed that the County also identifies this road according to the road number listed above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1940s and continuing through 1976 to the present. Throughout this time period, I observed travel on the road by means of horseback, cars, recreational vehicles and trucks of all sizes. Throughout this time period, the road has been used daily, for more than ten continuous years prior to 1976, and is so used presently.

5. Throughout the time period from the early 1940s to the present, I have used the road myself for travel in and through the area and livestock operations.

6. Throughout the time period described the previous paragraph, I have observed other vehicles from the general public using the road at various times for the uses described in the previous paragraph, plus oil and gas exploration, residential access and development and hunting.

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1900s and continuing through 1976 to the present, for the uses described in the previous paragraphs.

8. Prior to 1976, I observed construction and maintenance activities on the road and have observed the graded surface of the road.

DATED this 8 day of April, 2008.

Appendix A to Attachment 4

Popular Name: Clay Basin Road

County: Daggett

County Road Number: B34

State Geographic Information Database (SGID) Road Identification Number: RD050023.

Road-Segment Number: 004

Road-Segment Length: 1.28 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 3 North Range 24 East, Section(s) 20,21, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (Clay Basin Road)-- Segment 004 based on mapping grade Global Positioning System (GPS) data as defined above:
